Dear Madam, Dear Sir,

The Seminar Committee is looking forward to welcoming you at the 10th ESC Seminar, Belgrade, Serbia (18-19 September 2009). The 10th Seminar of the European Society of Contraception and Reproductive Health "Unwanted Pregnancy or Abortion" will be held at Kolarac Foundation, the university centre, settled in the heart of the city of Belgrade.

Katarina Sedlecky
10th Seminar Organiser

Scientific programme

The scientific part has been divided into two plenary sessions, free communication sessions, as well as eight workshops. It will review the issues around unwanted conception versus contraception. Practical aspects of contraceptive use are planned for the workshops. The full scientific programme is available at: www.contraception-esc.com

Simultaneous translation

All sessions are held in English. There will be simultaneous translation into Serbian.

Abstracts

The Seminar Committee cordially invites all those involved in any aspect of contraception to participate actively by submitting an abstract for a poster presentation or a free communication. Poster viewing sessions are planned during all breaks on both Seminar days. The free communications are scheduled in special free communication sessions. Authors should select one topic out of the 13 topics for their abstract submission for the Seminar.
